

## ***The Meditation For Peace Project:-***

***Is a cause for Peace and a Once in a Lifetime Opportunity for YOU to participate and contribute to making a real difference in the world.***

- This is our chance to move from a system based on fear and mistrust to one of Love Peace and Harmony.
- WE NEED YOU! It requires each one of us to achieve the necessary energy shift.
- This is your call to ACTION. You can let this opportunity slide on by or you can sign up now and count yourself in.
- This is your golden opportunity to be part of the movement to transform the vibrational harmony of the planet!
- Have you had a knowing that you wanted to make a difference?
- This project depends on each and every one of us!

"I have held a dream – a vision of peace and serenity; a vision where love is more common in the affairs of man, rather than the reaction of fear that far too many experience today. We are on the threshold of a new era. As a Metaphysician, Vibrational healer, and teacher of meditation and spiritual perception I know that we can take this opportunity to sit down together and create a real energy shift that is for the benefit of us all."
